English Major Checklist
Literary and Cultural Studies Track

This track focuses on the study of significant texts and forms, both literary and extra-literary, from all historical periods; major critical theories and approaches, current as well as foundational; and the historical, cultural, and ideological conditions under which texts have been produced and received. Students may focus their coursework in a particular historical period or genre, sample from a variety of periods and genres, or explore one or more kinds of cultural study. Students develop an ability to read and analyze a range of texts, preparing them well for various career opportunities as well as graduate study.
