

## Degree Requirements Checklist

# Philosophy Majors and Minors

1. Introductory courses. All three are required for both majors and minors. For majors, these courses do not also fulfill the A&S humanities requirement; for minors, they may.

- PHIL 104, Introduction to Philosophy: Knowledge
- PHIL 105, Introduction to Philosophy: Mind & Will
- PHIL 106, Introduction to Philosophy: Ethics

2. Logic. One of the following is required for both majors and minors.

- PHIL 123, Introduction to Logic
- PHIL 341, Symbolic Logic I

3. Upper-level courses, 300-level or higher. Ten courses for majors or five for minors. PHIL 341 can count for this requirement or for the Logic requirement, but not both. Honors Special Topics PHIL courses are acceptable.

4. General Education Capstone Experience. Majors only.

I have taken at least one PHIL course at the 500-level. (This course may be one of the ten upper-level courses listed above.)

5. Additional PHIL courses. Four courses for majors or one for minors.
