Directions to Behavioral Health Center

Our address is 225 Calhoun St, Suite 280. The outside door is locked, so you will need to use the intercom system to the left of the door to ring us, and then we will buzz you in. To use the intercom system, press the "down" button (the button with the yellow downward triangle above it) three times until the screen says "Behavioral Health Center," and then press the "call" button (the button with the green bell shape above it).

We are located on the second floor; you can take either the stairs or the elevator. Either way, when you get to the second floor, turn LEFT and go all the way to the end of the hallway. When you get to the end of the hallway, turn left again – and then go to the end of that hallway. The Behavioral Health Center will be on your right (suite 280).

Note that when you arrive on the 2nd floor, at the top of the stairs to the right is the Counseling and Psychological Services Center, which is NOT the clinic you will be going to. Again, you want to turn LEFT when you get to the second floor.

If you are driving, you can park on the street which is metered parking (so bring quarters), or in the parking garage next to the building. The parking garage would likely cost between $1 and $3.
