

Class Permission for Biological Sciences

If you do not have the prerequisite(s) for a class and need to be given permission, please fill out this form. Please bring the signed form into 614 Rieveschl Hall (Biology Office). An email directly from the instructor containing the attached electronic form is also acceptable. If the prerequisite(s) for this class is/are required for your major, you are still responsible for taking it/them in order to graduate.
