

## Judaic Studies Major: Hebrew Concentration

The Judaic Studies Major consists of 38 credit hours and prepares students for further academic work in Judaic studies, Near and Middle Eastern studies, religious studies, Holocaust studies and other related fields. A Judaic studies degree also prepares one for careers in research and in various private- and-public sector fields. The Hebrew Concentration enables students to demonstrate linguistic competency to future employers and graduate schools that require either proficiency in a foreign language in general, or specifically Hebrew.
