

APPLICATION FOR PHYSICS – ENGINEERING ACCEND PROGRAM

Prior to completion of a full year of study students can indicate their intention to complete an ACCEND program so that they may be advised appropriately, but students will not be admitted into the program until after the completion of the 1st full year of study. To be considered, students should indicate the degree programs they intend to complete through ACCEND.

Students can apply for ACCEND programs at later points in the academic program as well. In all cases, approval is dependent upon the student’s academic record and any enrollment limits established by the appropriate graduate program.

Explanation of signatures:

UG Program Director / Academic Advisor: Advisor or Program Director signs the form verifying that the student has a cumulative college gpa of 3.2 or higher and that the student is in good academic standing. It would also be beneficial if a preliminary ACCEND schedule could be constructed to inform Professional Practice of expected co-op terms.

Graduate Program Director – student’s graduate program; Graduate Director signs to acknowledge that student will need academic advising relative to the graduate program and that the program can accommodate the student. Graduate Director should inform student regarding graduate handbook and advising and any necessary engineering undergraduate coursework.

CEAS Manager of ACCEND: ACCEND Manger signs acknowledging the student has been informed of the characteristics of the program, including academic good standing, requirements for completion of both degrees, variation in tuition between undergraduate and graduate programs and details of the transition from undergraduate to graduate status.

Assistant Dean for UG Affairs: Assistant Dean signs acknowledging that the student has been assigned the appropriate advising PASLA and updates student recording noting the ACCEND program.

APPLICATION FOR PHYSICS – ENGINEERING ACCEND STUDENTS CONTINUING INTO MASTERS PROGRAM

When a student admitted to the ACCEND Program is continuing from the baccalaureate level of the program into the Master’s program, this form must be completed by the department and returned to the Graduate Studies Office of the College of Engineering (mail address ML#77) who will approve and forward it to the Graduate School (mailing address ML#627).

This form cannot be filed if the student has not completed at least 90% of the undergraduate credit requirements toward the Bachelor of Science degree.

This form should be submitted in the Spring Semester of the fourth year of a standard ACCEND Program for the student to be considered for a University Graduate Scholarship (UGS) in the fifth year. In all cases the form must be completed two months prior to the quarter when the UGS is to be awarded. A student must be enrolled for 12 graduate credits in a quarter to be eligible for a UGS.
