

Double Major: Psychology and Spanish

DEPARTMENT OF PSYCHOLOGY AND DEPARTMENT OF
ROMANCE AND ARABIC LANGUAGES AND LITERATURES

What is the Goal?

The Double Major in Psychology and Spanish aims to prepare students to conduct research and understand the wide range of application of psychology while being able to reflect on the complex experiences of the Latinx Community in the US, develop their intercultural competence and their proficiency in Spanish.

Why a Double Major in Psychology and Spanish?

**To better prepare
for the job-market**

**To engage with a
diverse population**

**To benefit from the high demand
and higher compensation**

Curriculum

Requirements

- Students must satisfy the major requirements for both majors.
- Students should declare the double-major during the first year at UC, though it is not required. .
- No additional courses needed.

Advising

- Students should meet with their advisor to confirm fulfillment of all requirements.
- Students should meet with the Undergraduate Director of Psychology to discuss the requirements for Psychology.
- Students should meet with the Undergraduate Director of RALL to discuss the requirements Spanish.

**This is a sample plan, not
an official plan.**
