

BioMolecular Markers Fall Seminar Series

*September 28th, 2010: Robert Fleischer
Smithsonian Museum of Natural History*

*"Birds of Paradise Lost: Evolution, Extinction, and
Conservation of Hawaii's Birds"*

12:30 pm, 400B TUC

October 19th, 2010: Nils Walter

University of Michigan, Department of Chemistry

*"Scientists Watching Action Movies:
Single-Molecule Enzymology of Natural and
Engineered RNA (DNA, Protein) Nanomachines"*

12:30pm, 800 Swift

October 28th, 2010: Peter Beal

University of California-Davis, Department of Chemistry

"mRNA Recoding by Adenosine Deamination"

12:30pm, 800 Swift

December 3rd, 2010: Anna Mapp

University of Michigan, Department of Chemistry

"Small and Large-Molecule Transcriptional Regulators"

3:00pm, 427 ERC
