## Application for Staff Advisory Board Membership

The Application for Staff Advisory Board membership is used to apply for membership on the College of Arts & Sciences Staff Advisory Board. Any active, full- or part-time staff member in the College of Arts & Sciences is eligible to become a member. Staff board members serve an initial term of not less than two years, and no more than three consecutive years (if serving as an officer on the Board).

Applications will be reviewed on an "as-needed" basis whenever there is a vacancy on the 13-member board. Once submitted, all applications are reviewed by existing Board Members and then voted on for membership. A simple majority wins the membership.
