

UC Concussion Conference: Inspiring Collaborations

May 13, 2016

8:00-3:00 (lunch provided)

Medical Sciences Building, College of Medicine, Room MSB 3351

Project Presentations: Faculty and staff are invited to present their current research and published work in the area of concussions

Group Discussions: A portion of the day is spent in large and small group discussions aimed at identifying possible research collaborations.

Summary and Future: At the end of the day we will identify new project ideas and collaborations resulting from conference.

All UC Faculty and Staff are invited – project presentation is not a requirement.

To reserve a spot please contact Kim Hasselfeld at hasselky@uc.edu by May 1.
