Referral Guide and College Information

*The College of Education, Criminal Justice, and Human Services
will meet with any student/prospective student interested in pursuing a CECH program.*

Students interested in transitioning to [CECH](#):

1. To explore a program offered by CECH, a student should **call 513-556-2336** or **visit 360 Teachers Dyer Complex** to set up an hour-long appointment with the appropriate advisor. During this appointment, students will learn more about CECH and their program(s) of interest; review how their credits may apply towards their intended major; and understand the transition admission requirements.
2. Once students attend an advising appointment, **they may file the Application for Change in College form located at: <http://cech.uc.edu/student-services-center/applications/readmission-or-change-of-college-to-cech.html>**
3. This form and the confirmation form will be accepted until the 5th day of the semester during which a student desires to be admitted to CECH.
