# History

**History** majors must possess the ability to learn how to analyze primary sources and historical facts, to participate in informed discussion of conflicting historical perspectives and to appreciate the diversity of human experience over space and time. History majors study and analyze human experiences of the past and, as a result, become better able to understand other societies in addition to their own.

## Examples of our unique degree possibilities

**BA, minor in Political Science w/ a certificate in Legal Studies**

**BA, minor in Geography w/ a certificate in Middle Eastern Studies**

## Mikala Stokes

**Major:** History

**Distinctions:** Darwin T. Turner Scholar; Cincinnati Scholar; Louie F. Cox Memorial AK Steel African-American Scholarship; Pete's List of Excellence in History and Government Scholarship

**Involvement:** Arts & Sciences Ambassadors; University Honors Program; Bearcat Buddy; Colleges Against Cancer; Relay for Life; Emerging Ethnic Leaders; Alpha Lambda Delta; United Black Student Association

**Opportunities:** Traveled to Omaha Beach in Normandy, France as part of a course called "A Global History of World War II" (an emotional experience as both my grandfathers served in WWII).

*"Though I still feel nervous about a career in education, a professor I had showed me the connection between history and teaching. Beyond the study abroad trip to Europe that accompanied his class, he taught me that history and teaching are part of a mantle that some are meant to carry."*

**Future:** Plans to become a Secondary Education teacher
