# Latin American, Caribbean and Latinx Studies

As a **Latin American, Caribbean, and Latinx Studies** major, you will use a variety of approaches to explore and better understand the experiences of Latin American, Caribbean and Latinx populations. You will study with research experts on countries such as Mexico, Colombia, Ecuador and Argentina, and regions such as Central America and the Caribbean. This interdisciplinary major explores the subject through disciplines such as history, geography, anthropology, international relations, Spanish and French literatures, and more. Courses are taught in both English and Spanish.

## Examples of our unique degree possibilities

**BA, minor in Political Science, certificate in Social Justice**

**BA, minor in Africana Studies, certificate in International Human Rights**

### Popular Minors

- History
- Geography
